Effective October 8, 2014, the Board of Directors of Wolverine World Wide, Inc. (the "Company") increased the size of the Board of Directors (the "Board") from ten directors to eleven directors, appointed Roxane Divol to the newly created seat on the Company's Board and determined that Ms. Divol is an independent director under the Company's Director Independence Standards and New York Stock Exchange Listing Standards. Ms. Divol will serve as a member of the class of directors whose terms expire at the Company's 2015 annual meeting of stockholders. Ms. Divol has not been appointed to serve on any committees of the Company's Board. In connection with Ms. Divol's appointment to the Board, Ms. Divol received an award of stock options on October 8, 2014, for a number of shares equal to \$65,000 in value using a Black-Scholes valuation. These stock options have an exercise price equal to the closing price of the Company's common stock on October 8, 2014. In addition, Ms. Divol will receive the standard non-management annual director compensation. The Company's standard non-management annual director compensation is described in its proxy statements, most recently in the section entitled *Non-Employee Director Compensation in Fiscal Year 2013* in the Company's definitive proxy statement for its 2014 annual meeting of stockholders filed with the Securities and Exchange Commission on March 12, 2014. The Company will enter into an indemnification agreement with Ms. Divol on the Company's standard form for directors as described in and filed with the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission on April 25, 2007.
